ABOUT THE RACE: The Daughter Project is a holistic approach to preventing girl child trafficking in high-risk communities in India and Nepal. The project considers the need for: awareness education, economic development, rescue intervention, and long term care of girls. Human trafficking is considered to be one of the fastest growing criminal industries. You can be a part of prevention. Come join Sweetwater River Church and Hope Church in the 5K Walk/Run to raise donations and awareness of child trafficking. More info @ <http://myglobalfamily.org/daughterproject>
